

CALL FOR VIDEOS

Youth 18-35

The **5th World Congress on Agroforestry** will be held in Québec City, Canada, on July 17-20, 2022, under the theme “**Transitioning to a Viable World**”. The organizing committee wants to give a voice to the youth (18-35) to inspire participants and contribute to the reflections on agroforestry and the ecological transition!

- **Prepare a 30-secs video** where you or your association answer this question :
“what are the roles of agroforestry in the transition to more just, ecological, resilient and nourishing food systems ?”
- **Send your video** to the organizing committee using [THIS LINK](#) before **April 30th, 2022**
- Once approved*, your video will be **available online** and accessible to the congress participants;
- Your video could be selected and featured during one of the **plenary session!**
